Dear Angelo,

Thank you very much for your support of the 2014 Ontario Women's Amateur Championship held here at Brampton Golf Club July 7th to 11th.

The Championship was a resounding success from start to finish with a little blip on the radar screen Tuesday that lead to a 4 hour and 15 minute weather delay. The week got off to a great start with our Future Champions Clinic. The clinic was attended by nearly 40 juniors aged 6 to 16 of which they enjoyed a 2 hour introduction clinic to the game of golf.

Brooke Henderson, a 16 year old junior from Smith Falls, Ontario was crowned the Champion and she did so in amazing fashion shooting rounds of 66 (BGC Competitive Women's Course record), 70, 69 and 67. The 100 plus person gallery following the final group of Brooke, Augusta James from Bath, Ontario and Brampton Golf's own Brittany Marchand certainly got their money's worth as the ladies posted a total of 11 under par for the round.

The event was supported by nearly 60 member volunteers and nearly 50 supporting sponsors. Without your support the event would not have been the success it was. Thank you once again and I trust you will enjoy your day with us.

Sincerely,

Rick Dodds-Hebron
 Tournament Chair
